

This February at Grove House Children's Centre

At Grove House Children's Centre, families and parents can access a range of services to support health, employment and/or further education including opportunities for training. We also offer a weekly range of fun activities for children, all of which are **free of charge**. Some on street parking is available and boast a large hall that is well utilised for all our activities!

Our Children's Centre Practitioner **Kamaljit Chagger** is on hand regularly for advice, support and guidance on a variety of topics, and can refer you to relevant agencies for further help and support should you require it.

Free Nursery Places are available for 15 hours a week for two year old whose parents are on a low income either from work or from benefits

Limited!! Fee paying 2-year-old places are available.

15 Hours per week nursery education is free for **ALL 3 and 4 years old**

3 to 4-year-old 30 hours free funding available for working parents

Opening Time: 8:00 am - 6:00 pm 48 weeks of the year

High quality provision for all ages

Advisory Board

Children's Centres have an Advisory Board, which meets regularly to discuss the work of the Centre. They discuss for example budgets, services, data, who uses the Centre, who should be using the Centre and are the needs of the local community being met. The Board is made up of lots of different people who live and work in our community. Most importantly, we need **YOU!** We need parents to attend the Advisory Board so we can hear your opinions, thoughts and views about **YOUR** Children's Centre.

Do you need support in getting back to work?

Free job advice and planning to get back to work, support to find training, childcare and debt advice if you or a member of your family is claiming work-related benefits.

See Children's Centre staff for more information or to arrange an appointment (**TBC**)
